

- Thus, there are the following trends in designing using national ethnic motifs:
- the allusions and links to the Ukrainians' traditional associations;
 - the imitation of interior design principles of a traditional Ukrainian house;
 - the unification of Ukrainian ethnic features;
 - the combination of ecological and national motifs;
 - the use of traditional color schemes;
 - the use of arts and crafts products in interior design.

The combination of national ethnic motifs with modern traditional trends is important for developing modern ethnic interior design.
